*FREE Mobile App is focused on enhancing leadership and features a wide variety of resources and tools*

LAS VEGAS, NEVADA, March 2018 – Mobile apps focused on leadership training typically cost money and/or provide very few features. The new Aegis iCoach app by Aegis Learning offers over 7 different tools and resources and all are FREE.

Coach provides effective and valuable features that can be instantly utilized by users to improve and enhance their leadership approaches. These features include high-value program materials, an interactive discussion board, motivational inspirations, content-filled articles and a robust video library featuring over 100 titles. In addition to the wide range of free tools, the app offers users the opportunity to digitally access and utilize “green” training materials.

Users can download the app for both iOS and Android at:

Apple Store
